**Kicks for Kids** brings you the best of both worlds for the **U5-U8** soccer player! A “season” consists of the **BAYSL** (Birmingham Area Youth Soccer League) recreational program and an indoor session with the **BUFC** (Birmingham United FC) Academy. As part of the BAYSL, players will have practices and games organized by volunteer coaches, with the focus on having fun in a positive environment and encouraging each player on the field. Practices and games are played at Our Shepherd Lutheran School and will be played in small sided format (3v3, 4v4, etc.) This allows each player to take part in the action, with maximum touches on the ball!

During the indoor session, players will be part of the **BUFC Academy**, where they will receive more specific training by **BUFC professional coaches** during indoor games. The BUFC Academy is based around the development of basic soccer skills through creative, challenging, and FUN training techniques. Games will have a realistic goal set forth by the coach and will be enhanced by a positive environment where each player can be themselves and develop their self esteem on and off the field.
